WITH PARACHUTE DESIGNER AND AUTHOR

BRIAN GERMAIN

Open to ALL LEVELS

Proposed Date:

Cost: \$ for 2 day course

Whether you are a new jumper or an expert, this canopy flight skills and safety course promises to have something for you.

You can: get signed off for your B license canopy course requirement, work on life-saving maneuvers, learn about canopy design, get softer more accurate landings and become a better, safer skydiver. This course covers all aspects of canopy flight safety, as well as addressing the mental and emotional aspects of flight. This course will profoundly enhance your skill, safety, and enjoyment.

The Teacher:

Brian Germain has well over 10,000 jumps and 28 years of skydiving instructional experience. Brian is a parachute designer, test pilot, X-Games Champion, author of The Parachute and its Pilot , Transcending Fear, Green Light your Life, and host of the much-loved Skydive Radio segment "SAFETY FIRST". As a Transcending Fear Specialist, Brian offers a unique perspective on the topic of canopy control. His passion for flight is deeply infectious, and his unique way of teaching will enthrall you for hours, and make you a safety skydiver.
